

President's Inauguration Message

Management Council 2020/2021 Installation Ceremony

31 October 2020 at Huone, @Forest Room

Virtual & physical event

It is my honour and pleasure to helm SAAP again. I am counting on you to continue to be well connected with SAAP regularly and be an active member, whilst we in the Council will be doing our best to ensure that everything runs professionally. With your participation and support, let's look forward to another successful term 2020/2021.

We can come together today at Huone, thanks to the partial lifting of restrictions of gathering at F&B venues. Nevertheless, we are to adopt precautionary measures of safe distancing for our safety.

A huge welcome and appreciation to members and friends who are here with us today to witness this significant event, and not missing out on those who are with us via zoom.

Today our agenda includes the significant and traditional ceremony of the inauguration of new members and the recognition of multiple recipients of SAAP Loyalty Awards.

Our newly minted Council has put together a song "Colours of the Wind" dedicated to everyone; the lyrics with "save the earth" vibes which we feel is very apt to what the world is experiencing now.

Thanks to the generous support from HealthWorks, Ada Lee, for her exciting content on healthcare and knowledge sharing. Our second speaker is Cleo Liu who will be speaking on "Caring for your eyes during the pandemic situation". She has specially crafted her webinar delivery on the health care of eyes which are affecting many during this Covid-19 period.

Our special thanks to the sponsorship of the swiss roll cakes by our Advisor, Teo Ser Cher, and to Council member Diyana for the photography and very important too, Maria Zulueta who managed both the video/audio presentation and the Zoom session.

The success of the afternoon will not be possible without the participation and support from our members and friends. Thanks a million!

Sim Siew Gek
President 2020/2021
