

Dear Members and Guests

Once again, thank you for joining us at today's Management Council 2022/2023 Installation Ceremony.

My gratitude to fellow Council and members who have confidence in me and elect me again as SAAP President.

Management Council Installation is a significant and meaningful occasion to mark council members' undertaking to serve SAAP with dedication and keep the Association growing.

The Management Council has been busy working on various physical/virtual events to cater to different interest/wellbeing and collaboration with NTUC U Associate to launch the SAAP NTUC Rewards Link card in Oct.

As most restrictions have been lifted, do take the opportunity to upgrade your competencies through professional development programmes/ and other workshops. If you are planning to travel in 2023, we encourage you to attend the upcoming 25th ASA Congress from 8 to 12 Sept 2023 at Bangkok. You can combine learning, meeting like-minded admin professionals and shopping in one go. More details will be announced soon.

We are also looking into setting up a Task Force to see how the Association to maintain its relevancy to our member and admin professionals' community. We will need you to come forward to give us your ideas/insights. Do approach our council member if you are keen to join this task force.

Lastly, I would also like to extend my sincere gratitude to my fellow council members, our member volunteers, and our invited facilitator who have contributed their time and effort to make today's event a success.

Thank you

Josephine Kwan
President 2022/2023
