SAAP Seminar 2012

Ms Janet See, Outstanding Member 2010 of SAAP facilitated at the recently concluded SAAP Seminar on Intrinsic Value of Emotional Intelligence to Enrich Workplace Effectiveness held in Holiday Inn Singapore, Orchard City Centre.

All participants at this one day seminar gave very encouraging and rave reviews to the trainer. The participants left the day with smiles. Some seemed to have found a missing piece of puzzle in understanding and managing their emotions effectively in their daily lives. Thank you Janet and Team SAAP for the good work!

They sign four-figure cheques daily

He is a personal assistant to an ultra-rich family here.

But Randy (not his real name), who is in his mid-twenties, insists he is not gay nor sleeping with the mistress.

Instead, his assignments range from organising birthday parties to buying organic milk powder, all so that members of his family do not have to lift a finger.

His bosses, who live in a luxurious home in the town area in Singapore, do not think twice about signing four-figure cheques on a daily basis, and have no qualms about living it up with holidays to exotic destinations.

Do you have a similar story to tell? We would like to hear from you.
